ABOUT US

Concours-Archi is a platform designed to help architects easily find architecture competitions worldwide. Its mission is to **centralize** up-to-date opportunities and highlight competitions as spaces for experimentation, reflection, and progress.

The site regularly shares calls with key details: **deadlines, requirements, prizes, and official links.**

Our goal is to support architects in participating, innovating, and shaping the built environment.

Primary Audience: France (65%) and French-speaking Africa (20%).
